## Davis Plans Fight to Keep Job

LITTLE ROCK (AP) — Dr. Lawrence Davis, embattled president of Arkansas AM&N College at Pine Bluff, received new testimonials and endorsements Sunday, but in a speech touched only lightly on his troubles.

Dean Davis repeated before the Civic League Association of Arkansas a Saturday statement that he would not fight to keep his job. The AM&N Board last week asked him to resign.

The Association endorsed Davis and its president, J.L. Hawkins, criticized persons "trying to downgrade our best educators."

Davis, a Negro, dwelt mainly on citizenship. He said Negroes must seek full citizenship, then accept the responsibilities that accompany it, including intelligent voting.

Behind the request for Davis resignation is a legislative audit report alleging mishandling of \$4,400 in agricultural scholarship funds.

A discussion of this audit Saturday before the Joint Legislative Audit Committee brought a charge.

Twelve traffic accidents, seven of them over the weekend, killed all but two of the 14 persons to die violently in Arkansas during the week ended at midnight Sunday.

Charles Stevens Watson, 35, was struck and killed Sunday by a truck driven by Newton Hawthorne of Lonoke as he drove across Highway 51 near his home five miles south of Lonoke.

Seven-year-old Richard Higdon of Parkdale died Saturday when he was struck by a Missouri Pacific Railroad train as he rode his bicycle on Highway 8 near Parkdale.

Diana Lewis, 11, died Saturday of injuries received when she fell while riding on the front fender of father's car at La Grange, near Helena.

Hugh McCall Tate Jr., 47, of Fort Smith died Sunday when his car struck a bridge abutment on Highway 124 near Russellville.

Joe Glenn Layman, 20, of Heitor, was killed Sunday when his car struck a bridge abutment on Highway 124 near Russellville.

A West Memphis Negro, John Sterling, 26, died Sunday after he was struck by a car driven by Harvey Dean Bennett, 26, of Deater, Mo., while crossing Highway 64 near the West Memphis City limits.

Willie Edward Dion, 55, of Beateville, was crushed to death beneath the wheels of a trailer truck Saturday when he apparently fell from the load of rice on which he had been riding. He was hitchhiking with the driver, Lawrence E. Waller, 38, of Weiner.

Willie Jackson, 58, a Negro, of Hampton was killed Friday night when his car overturned on Highway 167 near Hampton.

Students Wounded by Same Shot

CLARKSVILLE, Ark. (AP)—Two 19-year-old students at College of the Ozarks here were in a hospital today because of a pistol shot.

William Edward Laster was shot in the leg when the gun discharged in his hoster while he was squirrel hunting Saturday. His grandfather, Oliver Laster, and a friend, Bill Hopper of Winkton, Ind., carried Laster half a mile to a road, then drove him to the hospital.

A few hours later Hopper turned up at the hospital, a similar bullet wound in his leg. Neither youth could explain what made the .22 caliber pistol go off.

Another incident put a third Clarksville area person in the hospital with a gunshot wound. A bullet, apparently fired by an unidentified squirrel hunter, struck Mrs. Burt Tomblinson, 79, in the chest at her home at Hartman. She and her husband had started into the house after hearing near-by gunshots.

Burglars Hit Store at Ozan

Floyd Mathis' Store was hit by burglars over the weekend, according to Sheriff Jimmy Griffin. About 30 dollars in money was taken along with some gasoline, cigarettes, cigars, meat, cakes, bread and rolls. The investigation continues.

## 76 persons Die in Plane Crash on Isle of Guam

AGANA, Guam (AP)—At least 76 persons, most of them American military personnel and their wives and children, homeward bound, died today in the thundering explosion and crash of a World Airways transport plane on a jungle-matted hill of this western Pacific island.

Seventeen persons miraculously survived.

The DC-8B, on a contract flight for the U.S. Military Air Transport Service, crashed three minutes after takeoff from a refueling stop.

The wings were ripped off the giant plane as it plowed a 100-yard path through dense growth on the side of a 640-foot hill called Mt. Barrigada.

There were conflicting theories on what occurred. Some military sources said an explosion blew apart one of the four engines just before the crash. Others said the explosion came on the impact.

Military and civilian rescue units slashed their way up the dense hillside greenery with machetes and bolo knives.

The 17 survivors were rushed to the U.S. Naval Air Station hospital in Agana. Three were reported in critical condition and 14 seriously hurt.

The plane left Clark Air Force Base north of Manila at 11:46 p.m. Sunday, Manila time, with an undisclosed number of passengers. It landed on Guam about 4 a.m. Monday, Guam time, refueled and took off at 6:02 a.m. It crashed three minutes later.

Those who boarded at Clark Air Force Base were mainly American military personnel from various posts in Asia. The plane was destined for Travis Air Force Base north of San Francisco.

Authorities here announced the plane carried 86 passengers and a crew of eight. But World Airways headquarters in Oakland, Calif., gave the crew total as seven.

The navigator, Edgar W. Schwayer of San Leandro, Calif., was the only crew member who survived.

Court Rules 19 Must Stand Trial

LITTLE ROCK (AP)—The Arkansas Supreme Court ruled today that 19 persons arrested in a segregationist demonstration near Central High School Aug. 12, must stand trial in Little Rock Municipal Court.

The Supreme Court unanimously rejected a contention that their trials should be transferred to some other municipal court on ground that they could not get a fair trial before Little Rock Municipal Judge Quinn Glover.

The 19 were arrested on charges ranging from loitering to carrying concealed weapons as police broke up the demonstration, which climaxed a march from the State Capitol grounds the day Central reopened with limited integration.

Robert J. Norwood, then president of the States Rights Council, is one of the defendants. He is charged with loitering.

Norwood had spoken to the crowd at the Capitol before the march started. Gov. Orval E. Faubus also addressed the group briefly.

The defendants asked for a change of venue saying that they could not get an impartial trial here and citing the "atmosphere" surrounding the Central protest.

Glover denied the petition and was upheld by Circuit Judge William J. Kirby.

Mrs. Ed C. Brown of Hope recently underwent an eye operation and is reported "doing fine". She is recuperating in Methodist Hospital, Room 261, Hattiesburg, Miss.

Don't forget the "B" team game here Tuesday night at 7:30 at Hannam's Stadium.

Montgomery Ward announces that an award has been given to Mrs. E. C. Calhoun, Rt. 3, Box 186 during a recent store contest. The award is \$50 in merchandise.

## Judges Can't Use Taxes to Pay Dues

LITTLE ROCK (AP)—The Arkansas Supreme Court today said that county judges should not use official funds to pay for dues in the Arkansas County Judges Association and similar expenses.

Such a practice, Justice Paul Ward wrote, "could lead to excessive abuse of . . . county funds."

The case, originating in Ashley County, dealt with association dues, advertising in the county judge's magazine and charges by the association for "legislative service."

Green and H. H. Hoor, Ashley County residents, brought the suit against Ashley County Judge W. T. Higginbotham and Carroll County Judge Arthur Carter, the association's secretary.

Chancellor James Merritt ruled that the association should repay Ashley County the money it had received and should be enjoined from collecting similar payments in the future.

Ward said Merritt actually had no authority to order repayments and that "it was not appropriate for the chancellor to enjoin the association from filing claims and the judge from allowing the same."

Ward indicated the same result could have been reached by a declaratory judgment—a finding of law—which the lower court was directed to issue.

Chief Justice Carleton Harris and Justice Ed F. McFaddin dissented, but apparently mainly on procedural grounds.

They said the case should have been tried in Ashley Circuit Court.

Thefts Reported by City Police

City Police reported separate thefts from automobiles during the weekend and a short change artist hit a local store.

A 16-year-old Negro boy was arrested for taking three wheels and tires and a seat off of a wrecked car at Walton's Auto lot. Another Negro, Bernard Conway, was charged with taking a bumper jack and a spare tire and rim from an auto owned by Eddie Muldrow.

Officers said a short change artist beat a grocery store cashier out of about \$30.

## Khrushchev Arrives Amid Boos, Calls for Talks With President

### Russia Blames Dag for Ousting of Lumumba

UNITED NATIONS, N.Y. (AP)—The Soviet Union called on the U.N. General Assembly today to approve a resolution holding Secretary-General Dag Hammarskjöld responsible for the overthrow of the Congolese government headed by Premier Patrice Lumumba.

In a speech to the emergency session of the assembly, Soviet Deputy Foreign Minister Valerian A. Zorin rejected an Asian-African resolution urging the assembly to back Hammarskjöld in his fight with the Soviet Union.

Approval of such a resolution would be regarded as a slap at Soviet Premier Nikita Khrushchev, who arrived in New York to attend the regular sessions of the regular assembly opening Tuesday.

Zorin said the Asian-African resolution failed to pinpoint any blame on Hammarskjöld or "colonial power" for recent actions in the Congo.

Zorin introduced a Soviet resolution that would amount to a virtual indictment of Hammarskjöld.

The Soviet resolution declared that non-implementation of Security Council resolutions by Hammarskjöld, "particularly regarding non-interference in the domestic affairs of the Congo . . . has led to increasing economic difficulties aggravating the political situation leading to the overthrow of the government and of Parliament."

The Security Council had refused previously to approve a Soviet resolution critical of Hammarskjöld, and it was unlikely Zorin would find any substantial support in the assembly.

Ethiopia was added to the list of countries sponsoring the Asian-African resolution, making 17 in all.

Zorin spoke after Sir Patrick Dean, the British delegate, called on the assembly to demonstrate by a decisive vote its confidence in Hammarskjöld and its determination to keep the Congo from becoming involved in the cold war.

The assembly held a morning session, and planned both afternoon and night meetings on the Congo crisis.

There were prospects it might adopt the resolution tonight, within hours after the arrival of Soviet Premier Nikita Khrushchev for the regular session opening Tuesday.

Assembly President Victor Andres Bolumbe of Peru was ready to call another meeting Tuesday morning if necessary to finish with the issue in time to open the regular session on schedule at 3 p. m.

## Official Chill Greet Premier of Russians

SHE'LL APPEAL — Mrs. Scheindel Fell, widowed and ailing Polish immigrant, is in New York to enlist the aid of Soviet Premier Khrushchev in finding her son in Russia. She is from Pittsburgh. — NEA Telephoto

NEW YORK (AP)—Soviet Premier Nikita S. Khrushchev arrived here today amid boos and anti-Communist demonstrations and called at once for "serious negotiations" with President Eisenhower on disarmament.

Khrushchev encountered an official chill — no for United States or other Western dignitaries were on hand — as he stepped from the Soviet liner Baltika for a historic United Nations General Assembly session. Pelling rain and lowering skies darkened the scene.

About 150 officials of Communist nations were at the dilapidated East River pier where the Baltika docked to welcome the Soviet leader.

Their aversion could not drown out the boos and cries of "murderer," from demonstrators held back by police at some distance from the pier.

Khrushchev smiled and waved from the deck as the ship docked but appeared impatient at the time it took to moor and set up the gangplank.

Scarcely was he ashore than he was whisked on a 34-page, single-spaced typewritten statement and began to read.

The Soviet said he did not understand Eisenhower's "recently announced intention" to address the United Nations on Thursday.

"This does not mean that they speak but really constructive participation in the work of the assembly, we would welcome such a decision," Khrushchev said.

"The United States have perhaps misrepresented their attitude on the assembly meeting and have also come to the conclusion that serious negotiation can be undertaken in the U.N. to reach a disarmament agreement."

Eisenhower already has served notice he has no intention of meeting with the Soviet leader unless he frees two imprisoned American RIM7 fliers.

The President in announcing his intention to speak before the U.N. Thursday—a day ahead of Khrushchev—has made it clear it was a one-shot performance and that he has no intention of leading the American delegation.

Khrushchev voiced what he called his "profound respect" toward the American people.

"I retain the very best feelings from my visit to the United States last year, from my meeting with the American people," he went on. "And I have not forgotten the good impressions that I gained from talking with public and state leaders, with representatives of the U.S. business circles, with ordinary American workers, farmers, intellectuals."

Khrushchev termed "the problem of general and complete disarmament under the appropriate strict international control" as the cardinal question of international relations.

He said "The evil forces who 'Welcome Fidel, give them hell,' want to poison the atmosphere in Cuba until it dies—Cuba relations between our countries will invariably sustain a defeat."

Khrushchev spoke into a public address microphone. He paused after each sentence or two while a translator put his words into English. The complete procedure took 35 minutes.

The Communist chiefs of Hungary, Romania and Bulgaria also addressed the gathering on the pier.

After the speeches, Khrushchev in Soviet denunciations of alleged U.S. aggression in Cuba and other Latin-American nations, and to the headquarters of the Soviet delegation to the United Nations, at Park Avenue and 68th Street.

Every such employer shall furnish to the Commissioner or to his authorized representative on demand a sworn statement of such records and information upon forms prescribed or approved by the Commissioner.

**SECTION 10. POSTING OF LAWS.** Every employer subject to any provision of this Act or of any regulations issued under this Act shall keep a summary of this Act, approved by the Commissioner, and copies of any applicable regulations issued under this Act, or a summary of such regulations, posted in a conspicuous and accessible place in or about the premises wherein any person subject thereto is employed. Employers shall be furnished copies of such summaries and regulations by the State on request without charge.

**SECTION 11. JUDICIAL REVIEW.** (a) Any interested person in any occupation for which any

administrative regulation has been issued under the provisions of this Act, who may be aggrieved by any such regulation, may obtain a review thereof in the Circuit Court of Pulaski County by filing in such court within twenty days after the date of publication of such regulation a written petition praying that the regulation be modified or set aside. A copy of such petition shall be served upon the Commissioner. The finding of facts, if supported by substantial evidence, shall be conclusive upon the court. The court shall determine whether the regulation is in accordance with law. If the court determines that such regulation is not in accordance with law, it shall remand the case to the Commissioner with directions to modify or revoke such regulations. If application is made to the court to leave to adduce additional evidence, by any aggrieved party, such party shall show to the satisfaction of the court that such additional evidence is material, and that there were reasonable grounds for the failure to adduce such evidence before the Commissioner. If the court finds that such evidence is material and that reasonable grounds exist for failure of the aggrieved party to adduce such evidence in prior proceedings, the court may remand the case to the Commissioner with directions that such additional evidence be taken before the Commissioner. The Commissioner may modify the findings and conclusions, in whole or in part, by reason of such additional evidence.

(b) Hearings in the Circuit Court on all appeals taken under the provisions of this Act shall be privileged and take precedence over all matters, except matters of the same character. The jurisdiction of the court shall be exclusive and its judgment and decree shall be final except that the same shall be subject to review by the Arkansas Supreme Court.

(c) The commencement of proceedings under subsection (a) shall not, unless specifically ordered by the court, operate as a stay of an administrative regulation issued under the provisions of this Act. The court shall not grant any stay of an administrative regulation unless the person complaining of such regulation shall file in the court an undertaking with a surety or sureties satisfactory to the court for the payment to the employees affected by the regulation, in the event such regulation is affirmed, of the amount by which the compensation such employees are entitled to receive under the regulation exceeds the compensation they actually receive while such stay is in effect.

**SECTION 12. PENALTIES.** (a) Any employer who hinders or delays the Commissioner or his authorized representatives in the performance of his duties in the enforcement of this Act, or refuses to admit the Commissioner or his authorized representative to any place of employment, or fails to make, keep and preserve any records as required under the provisions of this Act, or falsifies any such record, or refuses to make any such record accessible to the Commissioner or his authorized representative upon demand, or refuses to furnish sworn statement of such record or any other information required for the proper enforcement of this Act to the Commissioner or his authorized representative upon demand, or fails to post a summary of this Act or a copy of any applicable regulations as required by Section 10 of this Act, or pays or agrees to pay minimum or overtime wages at a rate less than the rate applicable under this Act, or otherwise violates any provision of this Act or of any regulation issued under this Act, shall, upon conviction therefore, be deemed guilty of a misdemeanor and shall be fined not less than \$100 nor more than \$1000 dollars. For the purposes of this subsection, each violation shall constitute a separate offense.

(b) Any employer who discharges or in any other manner discriminates against any employee because such employee has made any complaint to his employer, to the Commissioner, or his authorized representative that he has not been paid minimum or overtime wages in accordance with the provisions of this Act, or because such employee has caused to be instituted or is about to be instituted any proceeding under or related to this Act, or because such employee has testified or is about to testify in any such proceeding shall, upon conviction therefore, be deemed guilty of a misdemeanor and shall be fined not less than \$200 dollars nor more than \$2000 dollars.

**SECTION 13. EMPLOYER'S REMEDIES.** (a) Any employer who pays any employee less than the minimum or overtime wages to which such employee is entitled under or by virtue of this Act, shall be liable to such employee affected for the full amount of such wages, less any amount actually paid to such employee by the employer, and for costs and such reasonable attorney's fees as may be allowed by the court. Any agreement between such employee and the employer to work for less than such wages shall be no defense to such action.

(b) At the request of any employee paid less than minimum or overtime wages to which he is

entitled under or by virtue of this Act, the Commissioner may take an assignment of such wage claim in trust for the assigning employee and may bring any legal action necessary to collect such claim, and the employer shall be required to pay the costs and such reasonable attorney's fees as may be allowed by the court.

**SECTION 14. RELATION TO OTHER LAWS.** (a) As of the date of enactment of this Act, Arkansas Statutes 81-613 through 81-619 (1947) relating to minimum wages of female workers, are repealed.

(b) Any standards relating to minimum wages, maximum hours overtime compensation or other working conditions in effect under any other law of this State or under any law of the United States on the effective date of this Act which are more favorable to employees than those applicable to such employees under this Act or the regulations issued hereunder, shall not be deemed to be amended, rescinded, or otherwise affected by this Act but shall continue in full force and effect and may be enforced as provided by law unless and until they are specifically superseded by standards more favorable to such employees by operation or in accordance with regulations issued under this Act.

**SECTION 15. RIGHT OF COLLECTIVE BARGAINING.** Nothing in this Act shall be deemed to interfere with or impede or in any way diminish the right of employees to bargain collectively with their employers through representatives of their own choosing in order to establish wages or other conditions or work in excess of the applicable minimum under the provisions of this Act.

**SECTION 16. SEPARABILITY.** If any provision of this Act, or the application thereof to any person or circumstances, is held invalid, the remainder of the Act and the application thereof to other persons or circumstances shall not be affected thereby.

**Mrs. Max Kitchen Guest Speaker at Rotary Club.**  
Mrs. Freeman Ligon gave the invocation at the regular luncheon meeting Tuesday at the Leo Hotel. The meeting was attended by thirty-five members and one guest. President Oates gave a financial report. He gave the amount spent on the miniature golf course in the city park and the cost of equipment and coaches for the Rotary Little League baseball team for the past season.

Walter Hlert was program chairman in exchange with Ben Harding who was scheduled for this date. Mr. Hlert introduced Mrs. Max Kitchen as guest speaker.

Mrs. Kitchen selected as her subject, "Mental Illness." She stated that our emotions play a great part in mental illness. Emotions lead to worry, anxiety and fear and they may lead to a troubled mind, headache and an increase in the heart beat. This condition if prolonged may lead to an unbalanced mind or other illness of the body. If we can control our emotions and stay near the middle of the road in our thoughts our health will not be impaired by these causes. She stated that brooding over conditions and not allowing trouble come out in the open and be adjusted, causes an abnormal mental condition. She advises to stay on the sunny side

of the street or smile and the world smiles with you is a good remedy for causes of mental illness. Mrs. Kitchen always has an interesting subject and it is a real pleasure to hear her speak.

Mrs. Kitchen was the only guest at this meeting.

The artistic programs made by Mrs. Kizer featured a brown cotton ball filled with real cotton surrounded with the number 16 with 1944-1960.

Mrs. Buchanan presided and the invocation was given by Miss Elizabeth Francisco after which the group sang the birthday song. Mrs. Buchanan introduced the distinguished guests and recognized members of other clubs in the district which were from Stamps, Lewisville, Hope, Texarkana and Arkadelphia.

### THE EASTER DINNER

By DONALD DOWNES

Chapter I

Luchino Danesi was looking out

the window not just to ruminate

over the ruins of the ancient Re-

public of Rome. He was waiting

to see the full figure of old Cicco

Massimo in overalls, carrying his

masson's tools in a box, come wad-

dling around the corner by the

medieval tower, from Trastevere

where he lived in a beehive of

moldy old streets.

It somehow pleased Luchino

that this fat, old, winy workman,

now 60 years old, whom the old

Conte had recruited into Justice

and Liberty 20 years ago to win

unwarranted, should be more use-

ful to the organization than all

the bearded and bespectacled

professors put together. One of

the highest priority jobs the organiza-

tion had undertaken was to guide

escaped Allied officers through

the lines to their armies facing

the Germans and Fascists on the

Anzio beachhead or near Cassino.

The most difficult point of this

underground railway, going

around or through Rome, old Cic-

cio had never failed. Now he was

due to report on his latest cargo

and receive instructions for the

next one. Two English colonels

hidden at Ronciglione north of

Rome.

This activity of smuggling offi-

cers across the lines had begun

only four months before, when a

young American in Italian uni-

form had rung the doorbell and

asked for Luchino's father. Lu-

chino remembered his face faint-

ly — the son of an American

painter, MacDougall; the boy had

been born in Rome in 1922 or

1923. The MacDougalls, before the

war, had moved in the same set

as the old Conte and Contessa

Danesi.

Luchino now recalled his first

conversation with Paolo Mac-

dougall here in the study a few

months ago.

"I'm an American officer — a

lieutenant." He looked down at

his Italian uniform and smiled.

"I came to ask his help. I have

a message from him from the

Conte Storta in New York."

"Aren't you afraid to say all

this so openly to me?"

"No, I remember your father

well. So does my father. He is in

the New York now. And — just

before I left America — I talked

with his old friend Professor Sal-

vemini at Harvard. Only a month

ago..."

"How is Salvemini? He was

one of my father's idols, you

know."

"And your father was one of

Salvemini's. He's fine."

"I'm surprised that he didn't

know my father was dead. We

tried to let him know through the

Vatican."

"That began their collaboration;

now one could say friendship.

About 40 officers had already been

passed safely through the lines.

Only four had been captured. But

more important, Paolo Macdougall

insisted, was the information con-

cerning German troop move-

ments, especially in the last few

weeks since the Allied landings at

Anzio and Nettuno, only 25 miles

from Rome.

Luchino had met Paolo Mac-

dougall by appointment along the

river last night and had been

presented with the Cinecitta

problem.

"We have heard, Luchino, that

the Germans have taken over

## Pirates Seem to Be in as Flag Winner

By JACK HAND

Associated Press Sports Writer

Roll out the barrel you Pirates fans. The fighting Braves are practically in. Only another baseball miracle can rob Pittsburgh of its first National League pennant since 1927.

With 11 games to go, Danny Murtaugh's Pirates led by six full games over St. Louis and 1/2 over Milwaukee. The Cardinals have 12 to play, the Braves only 10. The "magic number" is seven.

Vern Law and Vinegar Bend Mizell did the strong arm jobs Sunday that gave the Pirates a doubleheader sweep over Cincinnati 5-3 and 1-0. For Law it was victory No. 20 on the fourth try.

Mizell, the ex-Cardinal, chimed in with a neat three-hit shutout for his 12th triumph.

The Cards also won, edging San Francisco 4-3 as Ernie Broglio joined Law and Milwaukee's Warren Spahn as 20-game winners. Milwaukee thumped Philadelphia 7-1 on Joey Jay's four-hitler and homers by Bill Bruton and Joe Adcock. The game was called in the bottom of the eighth by rain.

Chicago hit three homers in a five-run sixth inning and hung a 5-2 defeat on Los Angeles. The defeat left the defending champion Dodgers mathematically eliminated from anything better than a tie.

The New York Yankees took two giant strides toward another American League pennant by winning two more from Baltimore 7-3 and 2-0, sweeping the four-game series from the Orioles

## Porks Defense Oklahoma S. for 9-0 Win

By WICK TEMPLE

LITTLE ROCK (AP) — Here's the way the Arkansas Razorbacks shaped up in Saturday night's opening 9-0 victory over Oklahoma State.

The defense, which stopped Oklahoma on a goal-line stand and gave up only 120 yards in total offense, was ready.

The offense, which muffed scoring drives on the 2, 8, and 21 yard-lines, was not.

But for a break and a perfect pass in the first quarter, the teams might have played a scoreless tie. Oklahoma State's offense didn't operate but its line did an admirable job.

And the OSU secondary was ready for the end slants of Arkansas' halfback Lance Alworth.

OSU fullback Jim Dillard picked up an Alworth punt on his one-yard line in the first quarter and was rushed in the end zone for a safety by halfback Jarrell Williams, end Jim Gaston, and tackle John Childress of Arkansas.

After the kickoff, Arkansas junior quarterback George McKinney flipped a 42-yard scoring pass to Alworth, who caught it just beyond the reach of OSU defender John Maisel.

Mickey Cissell kicked the extra point and that was it.

Coach Frank Broyles was not pleased with his offense, but of course he was pleased to get past the big, tough OSU. He promised to tackle the offense problem this week before the Hogs meet Tulsa Saturday in Fayetteville.

Tulsa suffered a 30-18 defeat at the hands of New Mexico State Saturday night. He Hurricane probably will be a several-touchdown underdog when it meets the Porks.

OSU drove 41 yards to the Arkansas five in the fourth quarter, but sophomore quarterback Ron Holliday was stopped on fourth down.

Fumbles hurt the Hogs. In the third quarter, they drove to the Cowboy two-yard line before sophomore fullback Billy Joe Moody fumbled and OSU's Bill Dodson recovered.

The Hogs drove to the eighth in the second period on McKinney's passing, but on fourth down, the last play of the half, a McKinney pass was too long for Alworth.

The Porks moved 63 yards to the OSU 17 in the third quarter before Darrell Williams fumbled and Maisel recovered. Arkansas got to the OSU 21 in the fourth period but lost the ball on downs. And they made the 31 in the second period before Maisel intercepted an Alworth pass.

The top defensive job was turned in by Wayne Harris, Arkansas' All-Southwest Conference center, who was credited with six tackles and 12 assists.

Alworth led Arkansas in rushing with 36 yards on 13 tries. McKinney got 155 yards passing on eight completions of 18 tosses.

The Razorbacks needed senior fullback Joe Paul Alberty, one of the team's best blockers, who was out with a fractured jaw. He is expected to play against Tulsa.

## 'B' Boys to Play Badgers Tues. Night

The Hope "B" boys will entertain the Arkadelphia "B" team here Tuesday night at 7:30, according to Coach John Pierce. This will be the first game of the season for the local lads.

## Yankees Make Quick Work of Upstart Orioles

By JACK HAND

Associated Press Sports Writer

Suddenly the New York Yankees are in a position for "magic number" talk about pennant clinching instead of a nail-biting percentage lead.

The Yanks rose to the occasion to put down the Baltimore challenge over the weekend, sweeping all four games to break the American League race-wide open.

Friday afternoon they led the Orioles by one percentage point. Today they sport a four-game lead over both Baltimore and Chicago.

The Yanks have 11 games to play. Baltimore and Chicago each has nine. Any combination of seven Yank victories or Oriole and White Sox defeats would nail it down.

There still is danger ahead for Manager Casey Stengel whose Yanks have found Washington their most troublesome rival. Five the Senators, the other six with always tough Boston.

After beating Baltimore 7-3 with a slashing 12-hit attack in Sunday's opener, the Yanks came out with a gill-edged pitching job by Ralph Terry in the 2-0 second game.

Terry had a perfect game going until he walked Brooks Robinson on a 3-2 count with two out in the seventh. Ronnie Hansen broke the no-hit spell by drifting Terry's first pitch in the eighth over third base for a single. Jackie Brandt collected the other hit, a single with two out in the ninth.

Chicago missed a chance to take over second place all by itself. The White Sox whipped up a 15-hit attack, drubbing Detroit in the first game 8-4 with Nellie Fox chipping in three singles. The Tigers eked out a 7-6 margin in the second game.

Boston trimmed Washington 3-1 on a five-hit job by Bill Monbouquette and Mike Fornieles. Despite two-hit pitching by Cleveland's Bobby Locke and Don Newcombe, Kansas City edged the Tribe in the first game 3-2. Cleveland won the second 9-2 behind Barry Latman.

Pittsburgh closed in on its first National League pennant since 1927 by beating Cincinnati twice 5-3 and 1-0, opening up a 6-game lead on St. Louis which downed San Francisco 4-3. Milwaukee remained in third place, 6½ games back, with a 7-1 romp over Philadelphia and Chicago defeated Los Angeles 5-2.

Despite homers by Rocky Colavito and Charlie Maxwell, the White Sox took charge of the first game at Detroit. They led in the long second game, too, but lost it in the seventh inning. The winning run scored from third while the Sox were running down Eddie Yost between third and second base, for the third out.

Willie Tasby's home run and a two-run single by Lu Clinton were the big blows for the Red Sox against Washington.

Dick Williams' two-run homer nullified Cleveland's two-hit pitching in the first game but Walt Bond knocked in three runs with a homer and double as the Tribe squared matters with the A's in the second game.

## Camera Catches Touchdown Play That Sank DeQueen

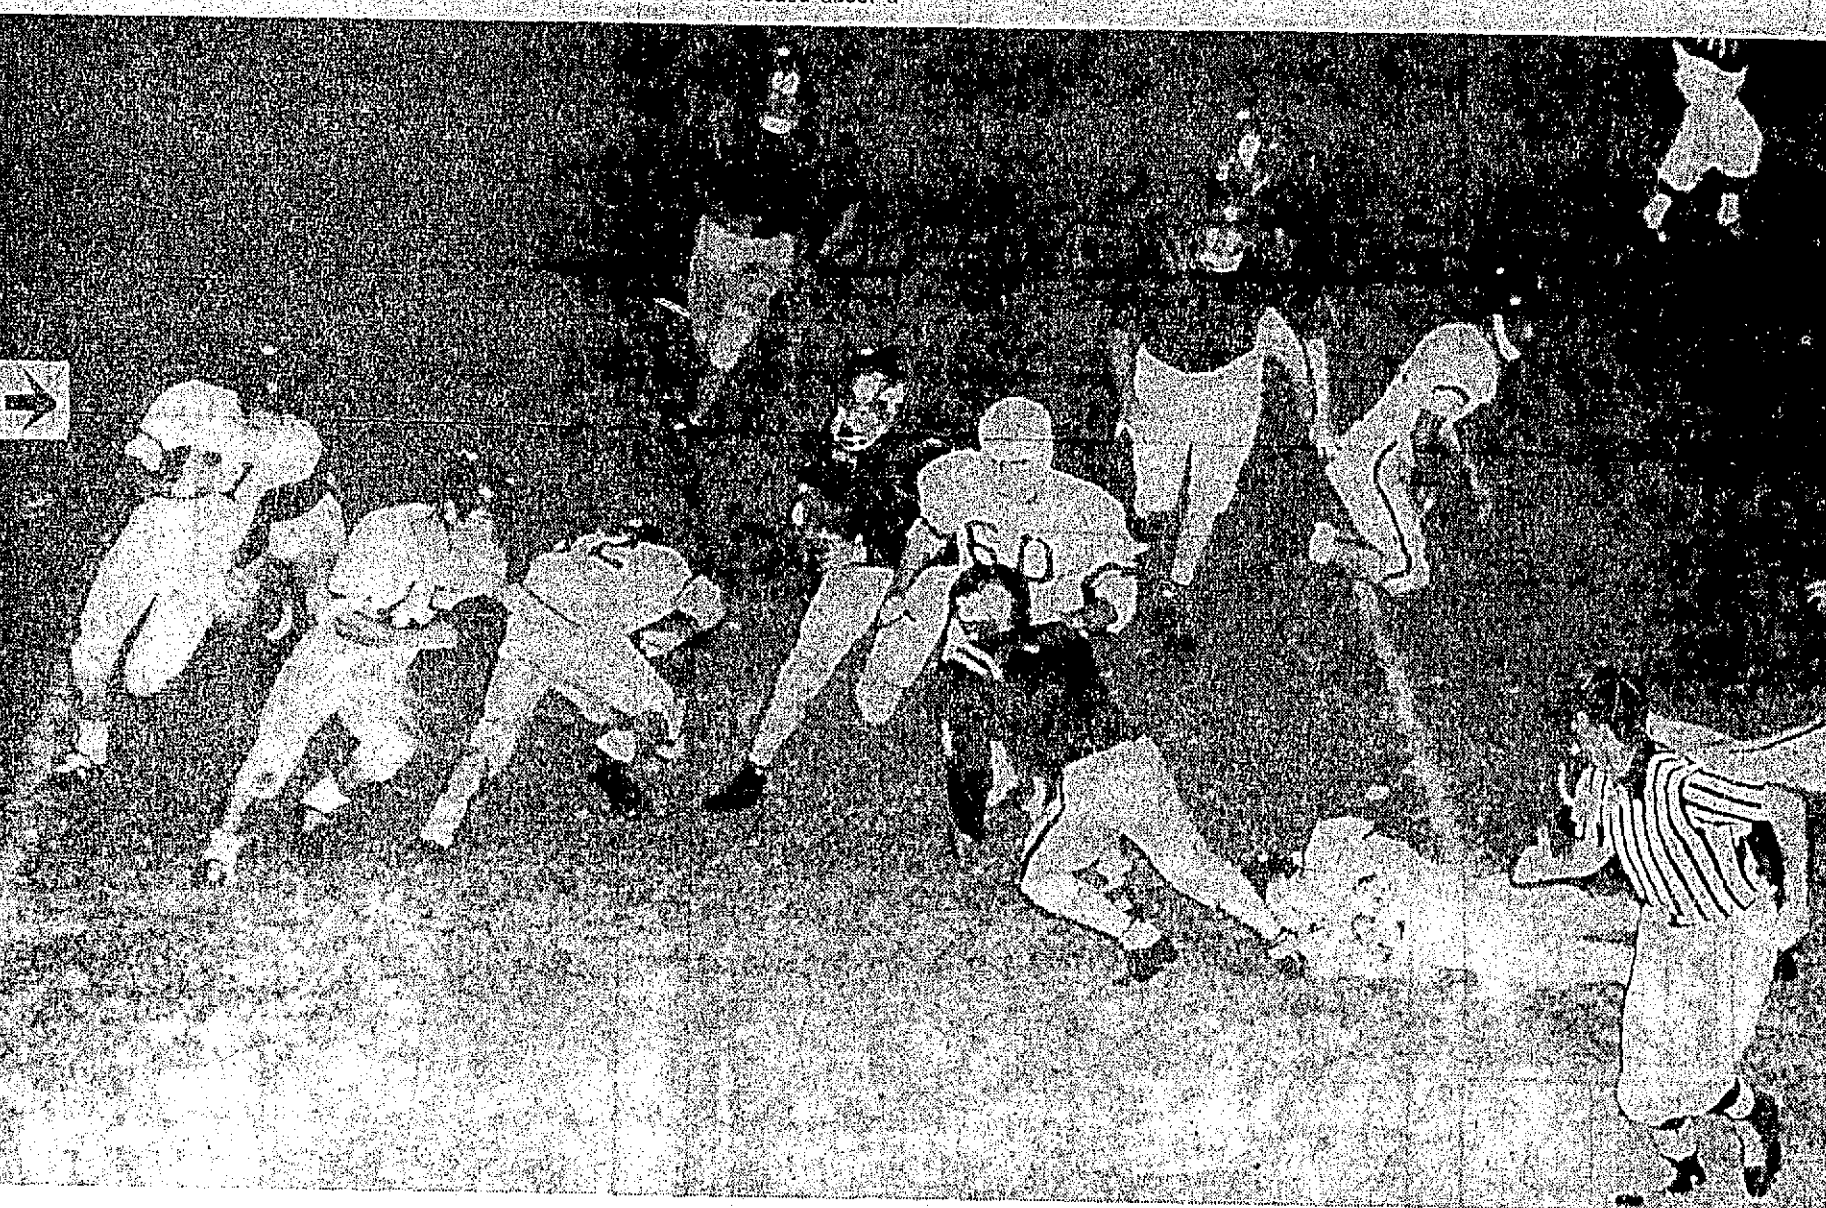

WITH THE BOBCATS TRAILING DE QUEEN 6-0 EARLY IN THE FOURTH quarter of last Friday night's football game, Hope fullback Joe Matt Herndon (arrow) took the ball on the DeQueen 35 and squirmed through the Leopard tacklers for the touchdown that won the ball game. Point was kicked and the score stood: Hope 7, DeQueen 6 — although the final was 13-6.

THE CAMERA CAUGHT HERNDON AS HE RAN INTO A DE QUEEN tackler on the DeQueen 30. As the picture shows, the DeQueen man needed about a

six inch better grip on Herndon's hip to have brought him down. Had he done so the touchdown might never have materialized, and it would have wound up a tie ball game at 6-6, for Hope missed the extra point on its second touchdown.

BUT AS LUCK GOES ON THE GRIDIRON, HERNDON WRIGGLED LOOSE from this tight spot, swept to his left to avoid the DeQueen tacklers in left upper corner, and went over for the winning score.

THIS FIRST-QUARTER PICTURE HAS THE LOOK OF DRAMATIC action with Hope Quarterback Jimmy Lloyd, 11 (arrow), coming around right end flanked by blockers Halfbacks Herndon (15) and John Crain (12) — but DeQueen

## SW Teams Fare Badly in Openers

By ED CORRIGAN

Associated Press Sports Writer

National champion Syracuse rolls its heavy artillery into firing position Saturday when it opens its 1960 football operations against battered and bruised Boston University.

Steve Sinko's Terriers hit off more than they could chew when they scheduled Penn State and Syracuse for their first two opponents. The Nittany Lions, usually a power in the east, shut out BU in the opener for both schools last Saturday, 20-0.

The Orange should do even better. They were voted No. 1 in the country in the pre-season Associated Press poll, and against BU they should do no more than flex their mighty muscles in preparation for more important future business.

About half the teams in the country opened last week. The rubble that remained of some of the big boys was still being picked up after some of the opening day shocks.

Texas, Southern California and Pitt, ranked Nos. 4, 6 and 7, respectively, in the pre-season poll, were rudely dumped. Texas, the Southwest Conference co-champion, lost to Nebraska, 14-13; Southern Cal fell before Oregon State, 14-0, and Pitt was humbled by UCLA, 8-7.

Texas could be in for more trouble this week. The Longhorns will be at home to Minnesota and play Maryland, a sleeper that chopped down West Virginia, 31-8. The Terps who have been having rough sledding since the glory days of 1955, think they have a winner this year.

Southern Cal will try to pick up the pieces against Texas Christian, while Pitt entertains Michigan State, another rough customer, and No. 8 in the pre-season poll.

Nebraska's victory over Texas and Kansas' surprising 21-6 triumph over TCU, the other Southwest Conference co-champion, bodes no good for Oklahoma, which has won the Big Eight title the last 12 years.

## Man's Body Found, Inquest Slated

JONESBORO, Ill., (AP) — An inquest was scheduled today into the death of Ernest Williams, 30, a Negro of Arkadelphia, Ark., whose body was discovered on a Missouri Pacific Railroad right of way near Wolf Lake, Ill., Saturday.

Coroner L. F. Pearson said Mrs. Lucy Williams, mother of the dead man, claimed the body Sunday and returned it to Arkadelphia.

Deputy Sheriff Hewitt Lamar, who found the body after a Missouri Pacific train crew reported seeing a man lying on the right of way, said Williams apparently fell from a moving train.

Alabama provided another eye-opener by whipping Georgia, 21-6, in the national television game of the week. Georgia stormed through the tough Southeastern Conference undefeated last year.

Alabama takes on Tulane this week while Georgia tackles Vanderbilt.

Other important Saturday scores included Navy 22, Boston College 7; Army 37, Buffalo 9; Missouri 20, Southern Methodist 0; Arkansas 9, Oklahoma State 0; Louisiana Tech 23, Kentucky 13; Louisiana State 9, Texas A&M 0; Washington State 15, Stanford 14.

## Drive Against Amendment 52

LITTLE ROCK (AP) — A statewide drive to defeat Amendment 52, proposed school-closing measure to be on the November ballot, will begin Saturday.

The Committee Against Amendment 52 has scheduled a statewide rally here to discuss plans for organizing opposition to the measure.

The amendment, sponsored in the 1959 legislature by Gov. Orval E. Faubus, would allow local option abolition of public schools faced with integration. Much of the opposition to it, however, has centered on a school millage clause, which provides that if a proposed millage rate is defeated by voters, the figure drops to 30 mills, regardless of what was previously collected.

Some educators say this could harm school districts which now levy higher millage rates.

2nd Murder Trial for Spa Woman

HOT SPRINGS, Ark. (AP) — A second trial of 39-year-old Mrs. Bonnie Connelly on a murder charge in the fatal shooting of her estranged husband starts today.

The Arkansas Supreme Court overturned her conviction and 14-year prison sentence after a trial a year ago and sent the case back to Garland Circuit Court for another trial.

The state contends that Mrs.

## Tigers Edged 14-6 in Close Game Saturday

By PATT CARR

The Merrill Tigers of Pine Bluff defeated the Yergers 14-6 Saturday night at Hammons Stadium.

The visitors received the opening kick-off on their own 30 yard line and immediately covered ground as Roberts moved to the 43 yard line and right to the 43 yard line. On the next play the Tiger line led by Criner, Turner, Hunkley, and Edwards, rushed the Merrill offense causing it to fumble and Freeman Criner recovered for Yergers at the 30.

After a 15 yarder, Edwards hit Rutherford at the Merrill 40 and handed off to Warren who carried the Pigskin to the visitors' 28. Three plays later Warren crossed over from the 2 for the first tally of the night. The point after failed.

Merrill started to retaliate at once as Roberts moved from his 45 to the Yergers 20. Day plunged to the 20 and Johnson hit Lee at the 12. Robert moved to the 1 from where Day crossed over for the touchdown. Lee scored the Pat successfully to give Merrill a 7-6 lead.

Yergers was on the march again as Warren moved from his 30 to the Pine Bluff 40. A penalty put the ball on the 35. McPadden carried to the 31. A penalty put the Pigskin back on the 40. A Yergers punt straight up in the air landed on the 29 where Merrill took over. Minutes later Pine Bluff was knocking on wood again at the Yergers 14. Cunningham moved to the 6 and Day scored his second touchdown. Lee converted safely. Yergers recovered a Merrill fumble at the Pine Bluff 26, but time ran out in the first half with the visitors leading 14-6.

Both teams made scoring threats in the second half, but failed to score. Pine Bluff was held at the 1 yard line in the latter part of the third quarter. Yergers had first and goal at the Merrill 6, but fumbled the ball at the nine where Pine Bluff recovered.

The Tigers are idle next week, but the following week will journey to Texarkana, Texas to tangle with Dunbar. Yergers is laid 1 for the season, both conference games.

Connelly shot Joseph D. Connelly, 43, during an argument about money.

She claims the shooting was in self defense.

Connelly was found dead in his room near Mrs. Connelly's house April 28, 1959.
